We are holding a joint IAAP/IAJS conference from **3-5 August 2018** at the Goethe University,
West end Campus, Frankfurt, Germany on the theme:

Indeterminate States: trans-cultural; trans-racial; trans-gender. Do these states mirror and reflect creative Jungian/post Jungian ideas about cross border migration within personal and cultural complexes as facilitators for change?

The theme locates Frankfurt's long multinational trading history with its recent trans-cultural migratory routes at the heart of Europe as the birthplace of Goethe and the home of the Frankfurt School of Critical Theory.

The joint IAAP/IAJS conference committee will be sending the call for papers out soon after the IAJS SA conference at the end of July 2017.

Please save the date in your calendar! We will keep you fully informed of all the conference developments...

With warm wishes,

The joint IAAP/IAJS conference team.
